

## LSL Life – Sophie

### A Girl's Best Friend: Sophie teaches her dog how to play volleyball.

Sophie: *Sit. Shake. Yes, good girl. Go get it, Gypsy!*

Sophie: I taught my dog how to play volleyball during the summer.

Sophie: *Woo!!*

Sophie: So what I do is I throw the ball for her, and she'd hit it with her paws, and then I'd like try to hit it back. She gets her exercise that way, and I get to practice.

Sophie: *Go get it, Gypsy!*

Sophie's Mother: Gypsy has been the best thing for Sophie. Sophie is in charge of making sure that Gypsy has food and water at all times in the day. She's already a happy child, but she's so much happier when Gypsy is around. It's true love.
